

Our beautiful daughter, Jenny House, has been lifted up into her heavenly home and left her earthly struggles behind. She is at peace in God's kingdom. Jenny passed from this life on February 10, 2008. She was born in Englewood, Colorado on March 7, 1970, and grew into a loving, caring and compassionate woman. She graduated from Bear Creek High School and the Colorado Institute of Art. She held numerous administrative and sales positions in Denver and here in Montana, and touched many lives.

Jenny had a huge heart – she loved her family and friends fiercely, never forgot a birthday, created many beautiful cards and gifts, and cared so much for her nieces and nephew. She was “solar powered” and loved the spring, summer and fall when she could soak up the sun's energy. She loved swimming, hiking in the Grand Canyon, and ran endless miles with her father, sister and friends in the early morning hours. And dogs, Jenny could never give enough love to all her canine companions.

Jenny is survived by her parents, Jim and Betty House of Manhattan; sister, Sarah (Tom) Timko and their children, Grace, Jim, and Ellen of Sea Girt, New Jersey; grandfather, Frank House of Savannah, Georgia; grandmother, Irene Bond, of Bozeman; aunt, Mary (Jim) Thompson, of Ashland, Oregon; and cousins, Betsy and Andy.

A memorial service will be held at Manhattan Christian Reformed Church at 2 p.m. Friday, February 15, 2008. A private family burial will precede. Contributions may be made to the Manhattan Christian Reformed Church Love Fund, 7950 Churchill Rd., Manhattan, MT 59741.

Arrangements are in the care of Dokken-Nelson Funeral Service.
