

Douglas Arnold Foss, 45, passed away while on a business trip in Hawley, PA. He was born in Bozeman, MT, Nov. 17, 1961, to Arnold and Dorothy (Boyd) Foss Johnson.

Doug graduated from Bozeman Senior High School in 1980. He earned a BS degree in mechanical engineering from Montana State University in 1993. In 2005, he received his Professional Engineering (PE) license. At the time of his death, he was employed at GEI Consultants as a Project Manager.

Always an outdoorsman, Doug loved hunting, skiing and floating the Madison River. He reveled in combustion – whether if be gunpowder, gasoline, wood, or rocket propellant. Those who knew Doug well fondly remember how much he enjoyed eradicating gophers and building campfires that could be seen from the space shuttle. In addition, Doug was an avid reader and student of history.

However, his greatest pride and joy were his wife Roxanne (Huyser) and his two beautiful daughters Emily (11) and Ashley (9) Foss, who will miss him profoundly.

Other survivors include his mother, Dorothy Johnson of Helena; brother, Eric of Livingston; sister, Marcia (Mike) Stasi of San Jose, CA; 12 brothers and sisters-in-law and their spouses, from the Huyser family and their children, as well as numerous lifelong friends.

He was preceded in death by his father Arnold Foss in 1988.

Funeral services will be held Thursday, July 12, at a place and time to be announced later.

In lieu of flowers, the family requests that donations be directed to the Emily and Ashley Benefit Account for their college education. The account has been established at First Security Bank, PO Box 910, Bozeman, MT 59771.
